**Miscellaneous**

Heiki Lõhmus raises the need for FSFE to continue working to increase diversity and inclusion within the organization. Heiki points out that while the Council cannot in any way be complacent and much work remains to be done to ensure equitable representation of women at all levels of seniority amongst the FSFE workforce, the most serious and persistent lack of gender diversity in the organization occurs amongst the membership itself. Hence, Heiki invites each and every member to find and sponsor a suitable candidate from an underrepresented demographic for membership in the FSFE before the next annual general meeting.

Heiki would further like to explicitly thank the following staff members: Erik Albers for his contributions to launching Upcycle Android and securing funding for the campaign, Lucas Lasota for his work on router freedom, and Francesca Indorato for her commitment to carrying out her office duties amidst the pandemic.

**Closing**

The chair closes the GA officially at **15:58**.
